Subject: Childhood Lead Action Project Supports Article 16, H5687 and H5456

Dear House Finance Committee Clerk,

I am writing to register Childhood Lead Action Project's support for Article 16, and House Bills 5687 and 5456 in advance of tomorrow's hearing. We strongly support creating a dedicated funding stream for housing to make progress on our state's housing needs.

Thank you,

Devra Levy
